

About Us

About Elwynor Technologies LLC

Elwynor Technologies LLC is a small technology services company founded by Rick Hadsall. We offer:

- Experienced technology executive consulting including Fractional CIO and CTO services
- Startup advisory services - technology, strategy, vendor selection, optimization, etc.
- Technology consulting - technology architecture (enterprise strategy and governance, technology strategy & stack, data architecture, UI/UX, business architecture, solution architecture)
- Technology Staffing consulting - job description, team structure, resume review, interview strategies, etc.
- Developers of community and entertainment software for the Galacticom platform

If you're interested in any of our products and services, please contact us at [info\(at\) elwynor.com](mailto:info@elwynor.com).

About Rick Hadsall

Rick Hadsall has over 35 years of experience in technology, with hands-on experience in software development, technology architecture (strategy & governance), infrastructure (data center, end user, and cloud - engineering and operations), and executive leadership (VP, SVP, CTO, and fractional services).
